DECKER & CO.'S

IVORY AGRAFFE BAR

PIANO-FORTES.

WAREHOUSES: No. 2 Union Square, cor. 14th st. and 4th av.

These Instruments are celebrated throughout the country, and are distinguished for their

SINGING QUALITY;

VOLUME AND PURITY OF TONE;

SYMPATHETIC,

ELASTIC,

EVEN TOUCH;

DURABILITY OF CONSTRUCTION,

AND BEAUTY OF FINISH.

Decker and Company's Pianos have always received the First Premiums, whenever and wherever they have competed with the most celebrated makers in this country.

OUR IVORY AGRAFFE BAR

is an invention, beautiful in its simplicity and wonderful in its practical effects. It is the most compact Agraffe ever invented, and its influence upon the tone is to render it mellower, rounder and more clearly brilliant, while it utterly overcomes that sharp, metallic quality, which disfigures the instruments of all other makers.

Why We Excel,

While other Pianos are rarely in tune,

THE DECKER & CO.'S PIANOS invariably retain their Pitch and Tone.

While other Pianos are made of poor or unseasoned materials,

THE DECKER PIANOS combine the Best Materials, Skillful Workmanship, and Scientific Construction.

While other Pianos are deficient in the great requisites of a good touch,

THE DECKER & CO. PIANOS have a flexibility under skilful manipulation, which not only adapts them to the style of every performer, but which causes the player to feel en rapport with the Instrument, and affords his taste and fancy free expression.

It is a FACT—That philosophy of construction is not less important than fitness of material.

It is a FACT—That various minute, unobserved appliances, adaptations and improvements, have an influence in the tone, durability and manipulative character of a Piano, in no degree inferior to the more ostensible modifications.

It is a FACT—Therefore, that science, as well as experience; artistic discrimination, as well as methodic care; capital, as well as conscientiousness, are requisite in the production of a GOOD PIANO-FORTE. In our

Ivory Agraffe Bar Piano-Forte

is exhibited the result of an uninterrupted, persevering regard for these facts and principles; and purchasers who have so often spoken of the uniformity of excellence in our Instruments will be led to understand how this superiority and uniformity has been attained—a result which is apparent to even ordinary judges, in the volume and richness of tone, the sustained and human character of their singing quality, while connoisseurs and critics fully endorse all that we have adverted to.

The unanimous opinion of the best artists and the most reliable critics is, that

THE DECKER & COMPANY'S

IVORY AGRAFFE BAR PIANO-FORTE
IS THE ONLY SQUARE PIANO-FORTE,

Which

IN VOLUMINOUS SONORITY, AND
POSITIVE SOLIDITY OF TONE,

Having completed our new manufactory on a greatly extended plan, in comparison with the one formerly occupied by the senior member of our firm, and furnished it with the finest and most approved machinery required in the manufacture of Pianofortes, we are prepared to sustain the unrivalled reputation for excellence and superiority by which the DUNHAM PIANO has been known and recognized, in every section of the country, for over thirty years, and which to-day stands without a rival as the

MOST EXCELLENT AND DURABLE PIANO

IN THE

WORLD.

The great combination of improvements attained in the "DUNHAM" PIANOFORTE in regard to tone, power, equality and perfection of workmanship, has elicited from the most eminent professors and critics, the UNANIMOUS opinion, that the

"DUNHAM" PIANO CANNOT BE EXCELLED.

The system that has so successfully established the reputation of the "DUNHAM" PIANO will be continued by us; and while claiming (without fear of contradiction) for our house, the honor of introducing to the public the last grand and great era of Pianoforte improvement, which has given to
